

Your pathway to becoming a paramedic

Becoming a paramedic

We are dedicated to delivering better equipped Paramedics to the industry.

Our pre-hospital emergency health care training programs are flexible and tailored so our students can integrate study into their existing lifestyle.

*“integrate
study into your
existing lifestyle”*

*“clear
educational
pathway”*

Overcoming your educational barriers

We don't believe that becoming a paramedic should be exclusive.

The Australian Paramedical College provide an opportunity for ordinary Australians to become paramedics.

In our experience, we have learned that for many people one of the biggest hurdles to becoming a paramedic is they don't think they are smart enough and they don't know where to start.

We assist these people by providing a clear educational pathway.

Where to start

We understand the pathway to becoming a Paramedic may not be clear.

Our nationally accredited training has helped hundreds of ordinary people achieve their goal to become a Paramedic.

We are proud of that achievement.

The Australian Paramedical College is the largest pre-hospital emergency health care training provider in Australia.

We understand what it takes.

“We are the largest pre-hospital emergency health care training provider in Australia”

You need a plan

We believe traditional learning methodologies do not suit the busy and diverse lives of everyday people.

So we created a program that suited our students.

Our 4 Step Clear Pathway program is a simple and effective plan to allow you to learn in a style and situation that suits you best.

“We believe traditional learning methodologies do not suit the busy and diverse lives of everyday people”

Our 4 Step Clear Pathway Program

1. Time

We vary the hours you choose to study each week

2. Learning

We vary your learning schedule to suit your educational needs

3. Collaboration

You get instant access to social collaboration with tutors and other students

4. Support

You get personalised mentoring and coaching

“we created a program that suited our students”

“suit your educational needs”

Our agreement to you

Our Student Flexibility Agreement

We will give you the ability to vary your learning schedule to suit your educational needs.

What happens if you don't act?

Could you be missing out on a significant achievement in your life?

Find out what are you really capable of.

Feel at ease knowing you have a clear pathway and the support of Australia's largest pre-hospital emergency health care training provider behind you.

“You could be missing out on a significant achievement in your life”

Here's to your success as a paramedic

Did you know that once you complete the Diploma of Paramedical Science qualification you are highly employable as an Advanced Life Support Paramedic?

With your training and skills, you will have superior knowledge in health sciences and possess national and international qualifications.

Our graduates are poised for success - and are often well-respected by others.

As a graduate of the College, you will also have achieved many milestones throughout your training. Overcoming your personal educational barriers may have been one. You will step into your next career well-equipped to respond to those members of the community who need urgent medical care and attention.
